Instructions- How to catch an alien
Features of sci-fi genre- narratives

Mathematics

Place value
Converting measurements
Ratio and co-ordinates (maps)
Time/time lines/time zones
Fractions/Decimals
Problem solving and reasoning using all 4 operations
Data handling/ Graphs
Negative numbers (temperature)

Art/Design Technology

3D models- planets, rockets, robots
Moonscapes
Space creature models/animation
Planet/ space ship cakes
Scale painting of solar system

ICT

Internet research
Word processing- BBC dance mat
PowerPoint presentations
Space apps
Robotics

PSHE/Citizenship

Relationships
British values

RE

Awareness Mystery and Values
What is important to me?

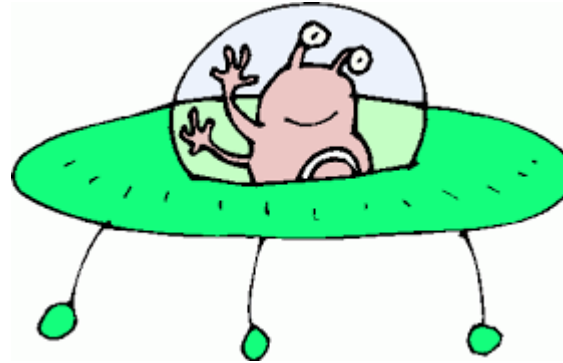

Spanish

Numbers
Colours
Adjectives

Science (covered through topic)

The Solar System
Forces- gravity, rocket launch
Materials
Rocks
The moon
Seasons

OUT OF THIS WORLD!

Final Project- Presentation

PE

Team games

Visit Opportunities

Planetarium
Quarry
Secondary School labs
Cranmore tower

Music

Ukulele
Soundtracks
Holst- The Planets
Space Odyssey
War of the worlds

Topic/ Geography/History

Timeline of space travel
Key figures
Future predictions- our changing world
Space race
Space maps
The Earth from Space- continents
